CONFIDENTIAL 17 September 1952

Im	gress Report - Old Projects
1.	Work continuing on interviews with PM graduates concerning their evaluations.
Ite	ms of Current Interest
1.	Assessment cases scheduled 14
- 2.	Assessments performed
3.	Assessment cases written
4.	Work completed on:
	(a) Five special evaluation reports.
	(b) OC 37 evaluations recorded and verified.
	(c) Prepared sociometric forms to be used for PM class graduating 24 September 1952.
	(d) Conducted outside assessment for the Assessment Branch to meet
	emergency situation.
_	(e) on Wednesday, 10 September, and administered a pattery of tests to the beginning PM class 11 as part of the research program designed to develop predictive criteria relative to performance in training.
5.	(e) on Wednesday, 10 September, and administered a Dattery of tests to the beginning PM class ll as part of the research program designed to develop predictive criteria relative to performance in training. A proposal for research in the area of the psychological requirements
5. 8.	con Wednesday, 10 September, and administered a Dattery of tests to the beginning PM class ll as part of the research program designed to develop predictive criteria relative to performance in training. A proposal for research in the area of the psychological requirements for the position of intelligence officer has been prepared. An analysis of the intercorrelations of the
6.	on Wednesday, 10 September, and administered a Dattery of tests to the beginning PM class ll as part of the research program designed to develop predictive eriteria relative to performance in training. A proposal for research in the area of the psychological requirements for the position of intelligence officer has been prepared. An analysis of the intercorrelations of the has been started.
